

APPLIED CODEOLOGY

16 HOUR UPGRADE

Class dates and times: October 16th and 17th - Casper
From 8:00 A.M. to 4:30 P.M. each day.
There will be a 30 minute lunch break.

Course will be held at: JATC Office - 2080 Skyview Drive, Casper Wyoming

Designed as a "how to" guide on reading and interpreting the 2008 National Electrical Code, Applied Codeology is a working companion to the Code. Apprentices, Journeymen, contractors, engineers, designers, and estimators alike will benefit from this positive, systematic approach to understanding the Code. This methodical handling of and practice using the Code Book provides proficiency for users. The result is better electrical installations through a higher Code understanding.

Required materials for Class:

- 2008 National Electrical Code, NO Handbooks.
- Pen (Preferably Red) and Pencil
- Yellow, Green, and Orange Highlighters

Class Fee:

IBEW Members - Free

Non Members - \$100
