

# Significant Changes to the 2011 NEC

There will be no charge for IBEW members for this course, all others will be charged \$100. Any Journeyman that enrolls for a class through the WEJATC and does not attend will have to notify the JATC a minimum of 48 hours prior to the start of the class. Anyone that does not notify the JATC a minimum of 48 hours prior to the class will be sent an invoice for \$50 payable to the JATC. The participant will not be eligible for any WEJATC classes until the invoice is paid.

Dates-

Classes will be December 3rd and 4th

Course time will be from 8:00 am to 4:30 pm each day

Location - Wyoming Electrical JATC Training Facility

2080 Skyview Drive, Casper.

## Required Materials for Class: 2011 National Electrical Code, Calculator

The National Electrical Code is the most widely recognized and accepted electrical standard in the world. Every three years the NEC is updated to reflect the newest installation practices utilized by the electrical industry, bringing about hundreds of changes to the code. SIGNIFICANT CHANGES TO THE NEC - 2011 EDITION aims to identify and analyze those changes in a way that cuts through the maze of jargon to hone in on key updates that will affect electrical installations. For maximum comprehension, the book is arranged to follow the general layout of the NEC. Each change is also accompanied by an illustration, as well as background information and a discussion of the significance of the change. As the most comprehensive code change book on the market, this resource will prove invaluable to electricians, electrical contractors, electrical inspectors, electrical engineers, and anyone who needs to understand the most important updates in the NEC 2011 .

This course is good for 16 hours of CEUs, and all classes must be attended for credit.
