Significant Changes to the 2020 NEC

FREE for Employees of IBEW-NECA Contractors and $150 for all others. Any participant that enrolls for a class through the WEJATC and does not attend will have to notify the JATC a minimum of 48 hours prior to the start of the class. Anyone that does not notify the JATC a minimum of 48 hours prior to the class will be sent an invoice for $50 payable to the JATC. The participant will not be eligible for any WEJATC classes until the invoice is paid.

Dates-Classes will be June 13th and 14th 2020
Course time will be from 8:00 am to 4:30 pm
Location - 810 Fremont Ave., Cheyenne, WY

Required Materials for Class: 2020 National Electrical Code

The National Electrical Code is the most widely recognized and accepted electrical standard in the world. Every three years the NEC is updated to reflect the newest installation practices utilized by the electrical industry, bringing about hundreds of changes to the code. SIGNIFICANT CHANGES TO THE NEC - 2020 EDITION aims to identify and analyze those changes in a way that cuts through the maze of jargon to hone in on key updates that will affect electrical installations. For maximum comprehension, the book is arranged to follow the general layout of the NEC. Each change is also accompanied by an illustration, as well as background information and a discussion of the significance of the change. As the most comprehensive code change book on the market, this resource will prove invaluable to electricians, electrical contractors, electrical inspectors, electrical engineers, and anyone who needs to understand the most important updates in the NEC 2020.

This course is good for 16 hours of CEUs.

Please call 307-234-8311 to reserve your place in the class.
